2016 Annual Impact Report

Breaking Ground for Our Community
Our Mission: is to enhance the lives of people affected by HIV/AIDS in an affirming environment and to reduce new infections in the communities we serve.

Our Vision: is a community where people with HIV/AIDS achieve their desired potential and are respected as coworkers, neighbors, and friends, while striving for an HIV free generation.
Message from our Board President

In 1990, against a backdrop of unprecedented fear and paranoia, the Albany Damien Center became the first of its kind in the United States: a safe haven and drop-in center for people living with HIV/AIDS. In a very short time, it became much more than that; namely a stigma free environment carefully supported by loving and forward thinking volunteers who saw past the negative perceptions about those living with the virus. The Damien Center literally became a home away from home for many people. Since then, the Albany Damien Center has celebrated the lives of countless hundreds of people who have passed through our doors. As the face of the epidemic has changed so has our response. However, our original mission to promote emotional, physical and spiritual wellness among our members has remained the same.

This year has been one of rapid and profound change for The Damien Center. While the purview of our mission is expanding, we take that same commitment to promoting the well-being of our members with us into a new building housing the community center as well as 20 apartments for individuals living with HIV/AIDS who are chronically homeless. This has also meant increased staff and a commitment by the Board of Directors to make the Albany/Schenectady Damien Centers a model program offering critical supports to those living with and affected by HIV/AIDS. Our model is a simple one: to treat all individuals we serve with the dignity and empathy they so much deserve. To these ends we have adopted a trauma informed model that informs both our policies and the day-to-day work of our incredibly passionate and empathetic staff. Our Housing Program will be based on a housing-first model realizing that stable housing is a basic pillar of well-being.

Through the tireless work of our staff and the Executive Director, the Damien Center is being welcomed into our new home by a supportive neighborhood. For that we are incredibly grateful to our Mayor, Kathy Sheehan, our Common Councilmember, Leah Golby, PHNA President Virginia Hammer, and the Pine Hills neighbors who have supported our project. I also need to thank my colleagues on the Board of Directors who have partnered with our Executive Director, Perry, a relationship that has been crucial in our ability to move forward with the new construction and expanding the mission of the Albany/Schenectady Damien Center.

A huge thanks to all of our staff, volunteers, donors, funders and especially our members for helping to take the Damien Center into a new and exciting chapter.

Jeffrey Hallenbeck, Board President

Message from our Executive Director

2016 represented a year of exciting growth, planning, and real movement toward our post-2013 fire goal of building a new Damien Center and expanding our services to help those who are homeless. Construction began in August 2016 and continued throughout the winter. New staffing structures were planned and successful stewardship and leveraging of funding was realized. All while we provided our services to people with HIV/AIDS with the love and support so they feel good about themselves, their future, and their community.

Our community stood strongly with us after the fire and are truly our heroes! I thank each of you for your support. The vision and planning done by our Board of Directors, staff, volunteers, funders, government officials, and community brought the Damien Center to this exciting moment of expansion.

For too many, stigma and discrimination continue to make HIV very different from other health conditions. Add poverty, illness, marginalization, behavioral health, substance use, trauma, and isolation and we witness the need for the Damien Center grow each year as we help our members reduce these barriers to improve their physical, mental, and spiritual health.

During this period of growth I continue to embrace our grassroots approach provided in a warm, welcoming, and trauma-informed atmosphere. I also commit us to be one of the leaders in NYS in the Ending the AIDS Epidemic efforts using the latest science in U=U to help those with HIV/AIDS live long, happy lives, eliminating HIV stigma while preventing new HIV infections.

Thank you for your heartfelt support all of us at the Damien Center!

Perry James Junjulas, Executive Director & Person with AIDS
The HIV Treatment Cascade is a model that outlines the sequential steps of HIV medical care that people with HIV go through from initial diagnosis to achieving the goal of viral suppression (a very low level of HIV in the body), and shows the proportion of individuals living with HIV who are engaged at each stage. The Damien Center is proud to be using data to drive our programmatic decisions and monitoring of impact in the regions we serve.

**Our 2016 Cascade of HIV Care**

The Scientific FACTS:
National and international HIV experts affirm the now conclusive scientific evidence that people with HIV who are on antiretroviral treatment (ART) that suppresses the virus to an “undetectable” level not only successfully protect their own health but cannot transmit HIV to others. In short, undetectable equals untransmittable.
Who we serve

The Damien Center was named after Father Damien, a Catholic Priest in the late 1800s who ministered to terminally ill lepers on the island of Molokai, Hawaii. Under his leadership, basic laws were enforced, shacks became painted houses, working farms were organized, and schools were established.

Leprosy was thought to be very contagious, and thus, ships would come close to the island and toss lepers overboard to swim to the island. Fr. Damien ended up contracting leprosy and died in 1889 at the age of 49. Father Damien was canonized on October 11, 2009, by Pope Benedict XVI.

Thus, in 1990, The Damien Center was named in honor of Fr. Damien as a Ministry of the Capital District Episcopal Churches and their friends in response to the 1988 Episcopal Church’s call to meet the crisis of the AIDS Epidemic. The Damien Center is not a faith-based organization, yet invites persons from all religious and spiritual traditions to receive our services.

In partnership with Schenectady Inner City Ministry, the Albany Damien Center provided our comfortable drop-in space at 615 Nott Street, expanding our regional help for people with HIV/AIDS.

In 2016, after temporarily relocating to the First United Methodist Church on State Street in Schenectady while the Nott Street location underwent repairs from a fire, the Schenectady Damien Center returned home. Many thanks to First United Methodist Church for their hospitality!

Support in 2016 provided by:
- Schenectady Inner City Ministry (SICM)
- United Presbyterian Church
- Your contributions & support

Pride Flag Vandalized

On June 20, 2016, the Pride Flag on the front lawn of our temporary home at the First Lutheran Church was burned, just days after the horrific tragedy at the Pulse Nightclub in Orlando, Florida.

The Damien Center led the efforts to publically & quickly denounce the act, which was immediately labeled a hate crime by Albany Mayor Kathy Sheehan.

Calling public attention to this act of hatred led to an outpouring of love and support from our community, resulting in a donation of a new flag and dedication ceremony. We stood proudly with our neighborhood, agencies, churches, and government officials to clearly and loudly state that hate has no place in our Albany community.
Breaking Ground for Our Community

Construction of the New Damien Center!

The Albany Damien Center began construction at 728 Madison Avenue, Albany, NY on August 4, 2016 and held an official groundbreaking ceremony on October 13, 2016. The construction and renovation continued throughout the winter without interruption, getting us ever closer to our anticipated Fall 2017 move-in date.

The 26,000-square-foot center is a renovation of an existing building that formerly housed the Mormon Church (and Knights of Pythias before that) and construction of a new addition. The new building will house both the Damien Center programs and staff, as well as providing 20 permanent supportive apartments for 22 people with HIV/AIDS who are chronically homeless.

This $6+ million project, made possible with funding from the NYS Homeless Housing Assistance Corporation (HHAC) and The Office of Temporary & Disability Assistance (OTDA), our fire insurance settlement funds, and our donors’ continued support, will dramatically impact the quality of life in our community by providing housing and support for people struggling with HIV/AIDS. A lack of stable housing is a significant barrier to accessing to medical care and supportive services, critically important in the community we serve.

As Perry noted at the groundbreaking “housing is healthcare.” Supportive housing is a key element of Governor Cuomo’s End the AIDS Epidemic (ETE) plan and is the greatest unmet need of people at risk for or living with HIV. “Increasing access to supportive housing for those living with HIV is an essential component in the fight against AIDS,” Governor Cuomo observed.

The opening of the new Center in the fall of 2017 begins a new chapter for the Albany Damien Center. From a part-time drop-in living room at Grace and Holy Innocents Episcopal Church over 25 years ago through our 15 years at 12 South Lake Ave, the new Center opens new avenues for us to serve those in our community living with HIV/AIDS. As the Lt. Governor observed, the new center will “be a signal of hope” for those that know “this is an illness that all of us have a stake in curing.”
AIDS Community Center (Est. 1990)

Fostering Trust and Support in a Living Room Environment

Since 1990, the Albany Damien Center has provided programs in a comfortable, living room environment. Membership is open to anyone living with or directly affected by HIV who commits to being respectful in a community atmosphere while making strides to improve their lives.

Our comfortable drop-in Albany Damien Center space is open 5 days a week from 8 AM to 6:30 PM, plus Saturdays & Sundays for special events—providing multiple opportunities for our members to drop in!

Programs & Activities include Socialization & Support, Educational Speakers, Access to Care, Computer Access, Support Groups, Holistic Therapy (Reiki, Massage, Spiritual Care), Recreational Activities & so much more!

2016 Statistics

390 Members served
12,347 Member visits
2,248 Topic group attendees
440 Holistic therapy sessions

Smart Meals (Est. 1991)

Cultivating nutritious lifestyles for the heart, mind, and soul.

Through hot meals prepared fresh on-site, pantry bags, and food gift cards, Smart Meals supported our members in improving their nutritional well-being by combing food and meals with group and individual Nutrition Health Education aimed at improving diet quality, physical activity, food safety, food security, and shopping savvy.

2016 Statistics

32,533 quality meals served through lunches, dinners, barbecues, pantry bags and food gift cards.

Funded in 2016 by

- Broadway Cares Equity Fights AIDS
- MAC AIDS Fund
- Health Research Inc.
- Regional Food Bank of NENY
- NYS Dept of Health AIDS Institute
- United Way of the Greater Capital Region
- Walmart Foundation
- Your contributions & support

Coming for meals when Sue was struggling helped her eat when she had no appetite but knew she needed nutrition. “This place gave me a purpose,” she says. “It’s been a Godsend for me.”
MPower Albany (Est. 2014)
Prevention for a Healthy Tomorrow

Mpower Albany, located at 77 Central Avenue, Albany, NY provides a drop in space for persons at high risk and persons living with HIV to receive access to HIV/Hep C/STD testing, treatment—and access to PrEP—the once a day pill that prevents HIV.

Mpower staff work to break down barriers to provide support, transportation, and access to the care each person needs in a safe, welcoming environment.

Treasure Chest Thrift Store (Est. 1999)
Making Every House a Home

New in 2016, we began offering estate liquidation services, which provided tax deductible benefits and a hassle-free way of selling household contents!

Our Treasure Chest thrift store provides items for our members in need, vocational training to help members return to work, and HIV/AIDS awareness within our community.

The Treasure Chest is thankful for the steady stream of donations for inventory supply and volunteers to staff the store.

2016 Statistics
$56,000 in sales
3,722 items provided to members (free) totaling over $7,957!

“Mpower is so easy to get to and not intimidating at all. It’s a cozy environment I feel safe in.”

Mpower Member Testimonial

2016 Statistics
74 people served, 526 services, and 576 participants in 19 community outreach/prevention education presentations!
PAWS - Pets Are Wonderful Support (Est. 1993)

With increasing demand for services, PAWS continued to help people living with HIV/AIDS keep their pets, often when they need each other the most. PAWS provided in-home pet care when members are ill, pet food & supplies, safe pet guideline information, and assistance with veterinarian care.

Banfield Wellness Clinics were held 4 times in 2016, providing free veterinarian care and grooming with 204 volunteer hours to help 87 pets of 77 PAWS members just through the 4 clinics - all made possible through a grant from Banfield Charitable Trust and our volunteer veterinarians, assistants, groomers, and PAWS volunteers!!

I’m sure I could never afford to care for my cats the way I want to without PAWS. It isn’t just the food, supplies, and vet care, but also having someone to answer questions. Or just talk.

-PAWS Member Testimonial
We are so grateful for the generosity of our community who hosted events to benefit the Damien Centers in 2016! In addition to events held on our behalf, The Damien Center hosted Bowling for PAWS & The Autumn Gold Party in 2016.

Plans are underway for the return of AIDSWalk to be held in the Spring of 2018!

6th Annual Bowling for PAWS
• February 21, 2016
• $23,687 raised!

Autumn Gold Party
• October 14, 2016
• $34,343 raised!

11th Santa Speedo Sprint
• December 10, 2016
• $16,000 raised!

Albany Improv Festival
• April 23, 2016
• $2,000 raised!

Our thanks to all for the other numerous events held on our behalf!

“The Damien Center saved my life. Over 15 years ago, I walked in newly diagnosed and thought my life was over. Little did I know there were beautiful people waiting to change my life in the most profound ways.”

Insurance Settlement - The final insurance settlement payment was received in Dec 2016 from the August 2013 fire claim.

The Albany Damien Center’s fiscal year runs from January 1 to December 31.
Volunteers make a word of difference at the Damien Center. Each year our registered volunteers contribute their time and energy on a regular basis to people living with HIV/AIDS. Many members of the Damien Center also volunteer as a way of giving back for the services they receive.

In 2016, our active use of volunteers helped us leverage funding that made your donations and our grants go farther - and added to the support and love that each of our members received. We sincerely appreciated the time, devotion, and compassion of our volunteers in 2016 in helping us fulfill our mission!

2016 In-Kind Donors

Our gift in kind donors have an impact in many parts of the Albany Damien Center. Some items go directly to our members; raffle and auction donations entice people to come and help us raise even more much-needed funds; Treasure Chest donations provide both inventory that benefits the Center’s members and also helps us make their house a home with furnishings and equipment. To all our In-kind donors, thank you!

You are very important to us!
If we have listed you incorrectly, please let us know!
There are so many ways to help The Damien Centers including:

Make a monetary contribution—As funding to help people with AIDS becomes scarce, we rely on your tax-deductible financial gifts to ensure the needs of our individuals and families living with HIV are met.

Throw a FUN-raiser! A great project for school, church, and employer groups to help raise needed funds and AIDS awareness!

Donate your time and talent through volunteering—Volunteers are extremely important in helping the Damien Center operate each day. There are multiple volunteer opportunities and flexible schedules available.

Make an in-kind donation - We value every in-kind donation we receive whether it is made directly to the Damien Center or through our Treasure Chest thrift store!

Make a Bequest through Planned Giving - A gift through your will or living trust will continue your support of the Damien Center and people living with HIV/AIDS as an important legacy in our community.

Call us for more information on how YOU can help! 518-449-7119

“I had the opportunity to help out at the Albany Damien Center as a volunteer one night a week and got to see firsthand the good work that is done for people living with HIV/AIDS. I have set up a recurring donation through my pay bill account at my credit union. I find this to be a convenient way to provide ongoing support for such a wonderful organization.”

~ Donor Testimonial
